This revision of [] initiated by the Office of Personnel (OP) and approved by the Deputy Director for Administration on 5 December 1984, provides the policy and procedures for the Federal Employees' Compensation Act and the Agency's Medical Program for Employees and Dependents Abroad.

The Office of General Counsel advises that the regulation, which provides for payment of certain outpatient costs, must be submitted and reviewed by the House Permanent Select Committee on Intelligence and the Senate Select Committee on Intelligence because the authority for this provision is Section 4(b)(1) of the CIA Act of 1949, as amended.

Accordingly, [] is forwarded for OLL to take appropriate action to inform the Congressional committees.

OP is most anxious to publish this Agency policy. It would be appreciated if OLL would advise this office as soon as the Congressional committees have reviewed the regulation so that it may be promulgated into the Agency system.
